Application for Allocation of Value Form 50-147

Important Information

GENERAL INFORMATION: This form is for use in claiming an allocation of value that fairly represents the use in Texas of taxable tangible personal property that is used continually outside Texas, whether regularly or irregularly, and has taxable situs in Texas pursuant to Tax Code Chapter 21.

This form is for allocating value to Texas of:

- tangible personal property generally (including motor vehicles, mobile equipment, shipping containers, non-railroad rolling stock, etc.) pursuant to Tax Code Section 21.03:
- · commercial aircraft under Tax Code Section 21.05; and
- business aircraft under Tax Code Section 21.055.

Form 50-146, not this form, should be used in claiming an allocation of value for vessels and other watercraft pursuant to Tax Code Section 21.031.

FILING INSTRUCTIONS: This document and all supporting documentation must be filed with the appraisal district office in the county in which the property is taxable. **Do not file this document with the Texas Comptroller of Public Accounts.** Contact information for appraisal district offices may be found on the Comptroller's website.

RENDITION OF VALUE: The filing of a rendition of value under Tax Code Chapter 22 is not a condition of qualification for allocation of the value of property used in interstate commerce, vessels or other watercraft, commercial aircraft or business aircraft under Tax Code Section 21.09(e). Tangible personal property used for the production of income must be rendered, according to the provisions of Tax Code Section 22.01, on a separate form (50-145). Failure to file a rendition timely or at all will subject the property owner to monetary penalties provided by Tax Code Sections 22.28 and 22.29; however, failure to file a rendition will not disqualify the property from allocation of value if the property otherwise qualifies and the filing deadlines are met.

APPLICATION DEADLINES: A person claiming an allocation must apply for the allocation each year the person claims the allocation. A person claiming an allocation must file a completed allocation application by **April 30** and provide the information required by this form. If the property was not on the appraisal roll in the preceding year, the deadline for filing the allocation application form is extended to the 30th day after the date of receipt of the notice of appraised value required by Tax Code Section 25.19(a)(3). For good cause shown, the chief appraiser shall extend the deadline for filing an allocation application form by written order for a period not to exceed 30 days. [Tax Code Section 21.09(b)]

LATE APPLICATION, PENALTY AND NOTICE: the chief appraiser shall accept and approve or deny an application for an allocation of value after the deadline for filing if the application is filed before the date the appraisal review board approves the appraisal records. If the application is approved, the property owner is liable to each taxing unit for a penalty in an amount equal to 10 percent of the difference between the amount of tax imposed by the taxing unit on the property without the allocation and the amount of tax imposed on the property with the allocation. The chief appraiser shall deliver a written notice of imposition of the penalty with an explanation to the property owner. The amount of the penalty shall be added to the tax bill and the penalty collected at the time and in the manner the collector collects the tax. The penalty amount constitutes a lien against the property and accrues penalty and interest in the same manner as a delinquent tax. [Tax Code Section 21.10]
